BETTER FAMILY HEALTH CLINIC FEES

We are a mixed billing clinic Monday to Friday, we bulk bill standard consultations if you hold a valid Medicare Card, however, the following procedural appointment fees will apply if you do not hold a concession card or are not under the age of 16yrs.

Weekend fees will apply for all patients and appointments unless you hold a concession card, health care card or are under 16, then you will be bulk billed. If you are a DVA card holder, then you will be billed directly to DVA.
